

FIVE: The Plays

Time Enough For Love

Laurie comes home to find Chuck, her retired husband, has her name tattooed on his arm (sort of) and is learning to skateboard (sort of). At his age, what does this bizarre behaviour mean?

The Depot

Sam comes to a usually quiet place to make a life changing decision. Much to her dismay, someone else is there. A short discussion leads to an unsettling question: "Which one of them has lost their grip on reality"?

For Heaven's Sake

Charlie arrives at the Pearly Gates - well, not quite. There he meets St. Peter - well, not quite. Will Charlie go to where he wants - or where he deserves?

The Genie-ous Solution

Kendrik who can't make a decision, rubs a magic lamp and summons Skye, an agoraphobic genie. Will Kendrik be able to decide on her three wishes and get Skye back into her lamp?

GeoCaching

After 42 years of marriage - a hike in the forest may be the last thing that Oliver and Vanessa do as a couple. But on the hike they find a ...
